

Springlake-Earth ISD

District Improvement Plan

Dr. Gary Bigham, Superintendent
2007-2008

Philosophy of the Springlake-Earth ISD

We believe that a strong work ethic is foundational to the success of any endeavor within which we engage. While we fully recognize the crucial importance of planning and strategy, worth-while endeavors do not happen with precise planning alone--hard work is a must. Life is a series of choices for every individual, and we believe that every student should be instilled with a strong work ethic so that (s) he may choose to employ it throughout a lifetime.

We believe in high expectations for success. We will strive to encourage a climate of expectation in which the staff believes and demonstrates that all students can attain mastery of the essential knowledge and skills (and make the conscious choice to work to do so) to accomplish the task at hand. For this to be most effective, first, teachers must recognize that high expectations for student success can happen effectively only when teachers have high expectations for self. Second, the school organization must assure that teachers have access to the necessary “tools” to help them achieve successful learning for all students. Third, the school, as a cultural organization, must recognize that it must be transformed from an institution designed for “instruction” to an institution designed to assure “learning!” (Lezotte, 1991).

We believe that to optimize the total school experience, everybody associated with the school must have pride in self, school, family, and community. As a human race, we take pride in our accomplishments and successes. We tend to work harder for the things that are important to us. Thus, the greater the pride that we collectively take in the school as an organization, the greater the levels of success we will all enjoy.

We believe strongly in the importance of character. We are strongly of the opinion that an organization with a safe and orderly environment filled with disciplined people who exhibit the highest levels of character is one that develops a culture of success. This is a move beyond the elimination of undesirable behavior to a cooperative and collaborative environment where character is exhibited, voices are heard, and good choices and decisions are made.

We value the importance of goal-driven activities where success resulting from hard work, guided by high expectations, can be measured and celebrated by the disciplined individuals on the team that made it happen. Goals by their very nature build in a level of accountability that goes hand in hand with high expectations.

Springlake-Earth ISD Vision

Our vision at Springlake-Earth ISD is three-fold:

First, we want everybody who is or has been associated with the school in any way to join us with great pride in claiming the school as **OUR SCHOOL**.

Second, we want that pride to come as a result of the good things that are happening because of **OUR CHOICES** that are driven by high expectations, coupled with disciplined, hard work.

Third, we want everybody to understand that the goal-driven choices made by disciplined people who exhibit high levels of character make a direct impact on **OUR FUTURE**

Thus, the Springlake-Earth ISD vision can be summarized as:

OUR SCHOOL

OUR CHOICES

OUR FUTURE

Springlake-Earth ISD Mission

Patterned behind Jim Collins' #1 bestseller with over two million copies sold,

Our mission is to transform our school from

**GOOD
TO
GREAT**

Goals and Objectives

Goal 1: Springlake-Earth ISD will have 90% of the student population, including the target populations; pass all portions of the TAKS.

Performance Objective 1: 90% of all student populations will pass the TAKS Reading/ELA

Performance Objective 2: 90% of all student populations will pass the TAKS Writing

Performance Objective 3: 90% of all student populations will pass the TAKS Math

Performance Objective 4: 90% of all student populations will pass the TAKS Science

Performance Objective 5: 90% of all student populations will pass the TAKS Social Studies

Goal 2: Springlake Earth ISD will provide a curriculum and culture of success for all students.

Performance Objective 1: Special Programs will be offered for eligible students and 90% of all students in the programs will pass the TAKS in all subject areas

Performance Objective 2: 100% of high school students will graduate within 4 years from entering high school and the dropout rate will be 0%

Performance Objective 3: The number of students taking AP classes and students graduating with the recommended seal will increase from the previous year

Performance Objective 4: The number of students taking the ACT/SAT will increase; and of those taking the test, 50% or more will make the criterion score or better

Goal 3: Springlake-Earth ISD will encourage positive student behaviors and create a safe and drug free environment for increased student achievement.

Performance Objective 1: Student attendance will be 96% or higher

Performance Objective 2: Student disciplinary referrals will decrease from the previous year

Goal 4: Springlake-Earth ISD will promote parent and community involvement in order to provide the best possible education for all students.

Performance Objective 1: Parent involvement will increase from the previous year as documented with parent contacts

Comprehensive Needs Assessment

Springlake-Earth is a district with two campuses and an enrollment of 375 students. The low-income percentage is 58.15%. The District received a Recognized rating. To make this rating, a district must have a passing rate of at least 75% on reading/English Language Arts, writing, social studies, math, and science. The Completion Rate must be at least 85% or an annual dropout rate of 0.7% or less.

Student Strengths and Needs

State Accountability: TAKS

See TAKS Charts for student scores

Federal Accountability: Adequate Yearly Progress

The District and both campuses met the Federal accountability, Adequate Yearly Progress (AYP). AYP is similar to the state accountability system, except that it includes two additional target populations—Special Education and Limited English Proficient-- that must also meet TAKS standards as a group.

State Monitoring System: Performance Based Monitoring (PBM)

See PBMAS Review for indicators not meeting state standards. The district will focus efforts to correct any problems in areas indicated as needing program reviews.

Parent and Community Involvement Strengths and Needs:

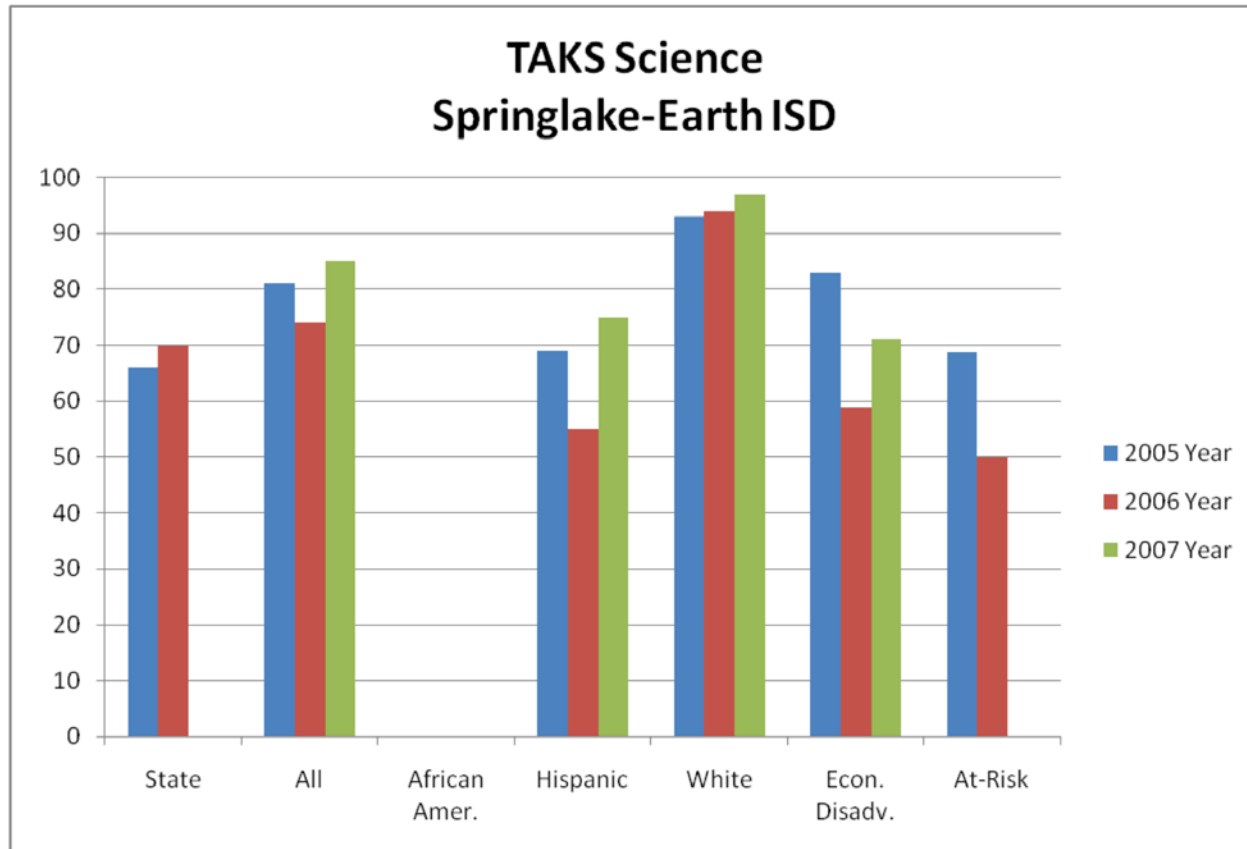

Parents and community are vital to the success of students! Parents are involved as well as community and business people. Regularly scheduled Planning and Decision Making meetings are held. Stakeholders are informed and involved in positive ways! Teachers and staff know all students and communicate on a regular basis. Parent conferences are held each year at both campuses. Parents are informed of state assessments and required proficiency levels.
