This Weeks Feature:

Different Data Views in Eduphoria

Here are some different data views that Eduphoria offers to help with data disaggregation. These views will be useful when breaking down data after testing. With semester benchmarks approaching please create your benchmarks under the Benchmarks 2019-2020 Testing Category

This will be the last Teacher Toolbox unit January 14th, however, if there is anything that you need assistance with please do not hesitate to send me an email. Also, if there is a specific data view that you would like to see please let me know and I will see what I can do to create it. Have a wonderful Christmas Break!
